

Bulldog 30 Combo BT

30W Bass Combo

30W of Hi-Headroom and deep, rich, detailed clean tones. With British Engineered analogue circuitry in the preamp, these pedal-friendly English Bulldogs are paired with a Hiwatt Engineered Octapulse Gold speaker and have the bite to back up their bark. Perfect for the practice room, the tour bus, or the green room.

Feature Overview

- Analogue clear-voiced preamp
- 3 band EQ for tone control.
- Specially-voiced Octapulse 10" 150 watt speaker for maximum headroom and volume.
- British Engineered
- Birch ply construction for durability and sonic stability.
