

Leeds 17 Combo

17W Practice Combo w/ Bluetooth

Don't let its size fool you: this mini powerhouse is packed full of the classic British tone and headroom that the world has come to expect from Hiwatt, but with modern conveniences like phone-pairing connectivity and a beefy overdrive channel to blow the roof off of your bedroom or green room. Paired with a Hiwatt 8" speaker, the Leeds 17 is British Engineering in a small tailored package.

Feature Overview

- Clean and Overdrive channel.
