

Leeds 25R Combo 1x10

25W Practice Combo w/ Reverb

The Classic British sound, clean tones and Hi-Headroom. The Leeds 25R Combo comes loaded with a 10" speaker and has the versatility of an overdrive channel, spring reverb, an FX loop, and is Hiwatt pedal friendly. Great size and power for small venues, the greenroom, or the bedroom. British Engineering in a very desirably sized Hiwatt.

Feature Overview

- Clean and Overdrive Channel with independent volumes.
- 3 band EQ
- 'Contour' control on Overdrive channel
- Real spring reverb.
- 10" specially-voiced Octapulse speaker.
