

Leeds 25R Head

25W Practice Head w/ Reverb

The Classic British sound, clean tones and Hi-Headroom. The Leeds 25R has the versatility of an overdrive channel, spring reverb, an FX loop, and delivers Hiwatt tone at gig volume. Great size and power for small venues, the greenroom, or the bedroom. British Engineering in a very desirably sized Hiwatt.

Feature Overview

- Clean and Overdrive Channel with independent volumes.
- 3 band EQ
- 'Contour' control on Overdrive channel
- Real spring reverb.
